IFC Welcomes Five New Adult Expat Teams

IFC strives to become one International Football Club that will cover junior, senior and veteran teams.

We are happy to announce that five adult expat teams are making their move with us to our new location in the 2022 - 2023 season! Two men's teams which will be led by Rui and Darius, two veterans' teams led by John, and the Ladies' team which will be coached by Matt and David. **Would you like to join** one of the teams or just assist training? Come to one of the practices on Mondays or Wednesdays from 20:00 to 21:30 and ask for one of the team leaders.

IFC this season will count with 5 youth teams, 2 men's teams, 3 veteran teams and 1 ladies' team. **Schedules** can be found on the website: internationalfc.nl/schedule

A reminder that **teams won't be finalized until after all cup games.**

Volunteer Hours

Parents and/or players will have to rack up 9 hours of volunteer hours to get their €50 deposit back.

After joining VUC, we have implemented a new volunteer hours scheme, where parents and/or players will have to complete **9 hours of volunteer time each season** to get their €50 deposit back at the end of the season. For families with more than one member in the club, only 5 hours will be required per family. You can volunteer as a referee, bar duty, kitchen duty or match day secretary. Got a skill that could also benefit the club? Message us!

IFC IS LOOKING FOR SPONSORS!

To help the club grow and for us to provide everything the players need, IFC is on the lookout for possible **sponsors**. If you know of any organization or company who would like to help out the club, let one of the coaches know!
